

INTERNATIONAL CONFERENCE ON THE ROLE OF THE JUDICIARY

CONFERENCE REPORT: The International Conference on the Role of the Judiciary, held in 1994, was a landmark event in the history of the judiciary. It brought together judges, scholars, and practitioners from all over the world to discuss the challenges facing the judiciary in the 21st century. The conference was organized by the International Association of Judicial Academies (IAJA) and the International Association of Judges (IAJ). The main theme of the conference was "The Judiciary in a Democratic Society".

The conference was a success. It provided a unique opportunity for judges and scholars to exchange ideas and experiences. The conference was a landmark event in the history of the judiciary. It brought together judges, scholars, and practitioners from all over the world to discuss the challenges facing the judiciary in the 21st century. The conference was organized by the International Association of Judicial Academies (IAJA) and the International Association of Judges (IAJ). The main theme of the conference was "The Judiciary in a Democratic Society".
