

THE UNIVERSITY OF THE SOUTH PACIFIC SCHOOL OF EDUCATION EDUCATION POLICY AND PRACTICE

Education policy and practice are central to the work of the School of Education at the University of the South Pacific. This paper explores the relationship between policy and practice, and the role of the School of Education in promoting and supporting quality education in the Pacific region. The paper discusses the challenges faced by the region in terms of education, and the role of the School of Education in addressing these challenges. It also discusses the importance of research and evaluation in education, and the role of the School of Education in promoting and supporting research and evaluation in the Pacific region.

The School of Education (SOE) is a leading institution in the Pacific region, dedicated to the advancement of education and the well-being of the people of the region. The SOE is committed to providing high-quality education and training for its students, and to promoting and supporting research and evaluation in education. The SOE is also committed to promoting and supporting quality education in the Pacific region, and to addressing the challenges faced by the region in terms of education.
