

THE UNIVERSITY OF THE SOUTH PACIFIC SCHOOL OF DISTANCE EDUCATION BACHELOR OF BUSINESS ADMINISTRATION FINANCIAL ACCOUNTING SEMESTER 1 2019

Students are advised that: This course is designed to provide students with a comprehensive understanding of financial accounting, including the preparation of financial statements, the use of accounting systems, and the analysis of financial data. It is a core course for the Bachelor of Business Administration program and is essential for students who wish to pursue a career in accounting or finance.

The course is divided into two semesters. In the first semester, students will study the fundamentals of accounting, including the accounting cycle, the double-entry system, and the preparation of financial statements. In the second semester, students will study advanced topics such as cost accounting, budgeting, and financial analysis.

It is important for students to understand that this course is designed to provide a solid foundation in financial accounting. Students should be prepared to work hard and to seek help when needed. The course is challenging, but it is also rewarding. By the end of the course, students should be able to prepare financial statements, analyze financial data, and understand the role of accounting in business.
