

INTERNATIONAL CONFERENCE ON THE MATHS OF THE 21ST CENTURY

International Conference on the Maths of the 21st Century (ICM 2022) will be held in St. Petersburg, Russia, from July 8-18, 2022. It will be the first international conference on the history of mathematics in the 21st century.

The conference will be held in a hybrid format, with a physical event in St. Petersburg and a virtual event accessible to participants worldwide. The conference will be held in Russian and English.

The conference will focus on the history of mathematics and its applications in the 21st century. The conference will cover a wide range of topics, including the history of mathematics, the philosophy of mathematics, and the applications of mathematics in science and technology. The conference will be held in St. Petersburg, Russia, from July 8-18, 2022.
