

THE UNIVERSITY OF THE SOUTH PACIFIC SCHOOL OF DISTANCE EDUCATION DEPARTMENT OF EDUCATION TEACHER EDUCATION

TEACHER EDUCATION PROGRAM: This program is designed to prepare students (candidates) for the teaching profession in the Pacific region. The program is a three-year full-time course leading to a Bachelor of Education degree (Honours) and a Certificate of Education (Professional) upon successful completion of the program.

The program is designed to provide students with a broad base of knowledge and skills in the areas of education, psychology, and social sciences. The program also includes a practical component where students gain experience in the classroom through a series of placements.

The program is designed to be flexible and to meet the needs of students who may be working or have other commitments. The program is delivered through a combination of face-to-face and distance learning. The program is designed to be challenging and to provide students with the opportunity to develop their critical thinking and problem-solving skills. The program is designed to be relevant to the needs of the Pacific region and to provide students with the skills and knowledge they need to be successful in the teaching profession. The program is designed to be a high-quality program that is recognized and respected throughout the Pacific region. The program is designed to be a program that is designed to meet the needs of students who are seeking a career in education. The program is designed to be a program that is designed to provide students with the opportunity to develop their skills and knowledge in a way that is relevant to the needs of the Pacific region. The program is designed to be a program that is designed to be a high-quality program that is recognized and respected throughout the Pacific region. The program is designed to be a program that is designed to meet the needs of students who are seeking a career in education.

'The program is designed to be a high-quality program that is recognized and respected throughout the Pacific region.
