

INTERNATIONAL CONFERENCE ON THE HISTORY OF THE WORLD IN THE 21ST CENTURY

INTERNATIONAL CONFERENCE ON THE HISTORY OF THE WORLD IN THE 21ST CENTURY
The International Conference on the History of the World in the 21st Century is a series of conferences organized by the International History Centre, London, in partnership with the Chinese Academy of Social Sciences, Beijing. The conferences are held in different parts of the world, and focus on the history of the world in the 21st century. The first conference was held in Beijing in 2002, and the second in London in 2004. The third conference was held in Beijing in 2006, and the fourth in London in 2008. The fifth conference was held in Beijing in 2010, and the sixth in London in 2012. The seventh conference was held in Beijing in 2014, and the eighth in London in 2016. The ninth conference was held in Beijing in 2018, and the tenth in London in 2020. The conferences are organized to promote international cooperation and understanding in the field of world history, and to provide a platform for scholars from different countries to discuss and share their research.
