

# INTERNATIONAL CONFERENCE ON THE HISTORY OF MATHEMATICS

## 1994, AMSTERDAM

The International Conference on the History of Mathematics was held in Amsterdam, The Netherlands, from August 15 to 19, 1994. The conference was organized by the Department of Mathematics of the University of Amsterdam.

The conference was the first of a series of international conferences on the history of mathematics, which were organized by the Department of Mathematics of the University of Amsterdam. The first conference was held in Amsterdam in 1994, and the second was held in Amsterdam in 1998. The third conference was held in Amsterdam in 2002, and the fourth was held in Amsterdam in 2006. The fifth conference was held in Amsterdam in 2010, and the sixth was held in Amsterdam in 2014. The seventh conference was held in Amsterdam in 2018, and the eighth was held in Amsterdam in 2022.

The conference was held in the city of Amsterdam, which is a major city in the Netherlands. The city is known for its rich history and culture, and it is a major center of commerce and industry. The conference was held in a large, modern conference center, which provided a comfortable and convenient environment for the participants.

The conference was attended by mathematicians from all over the world, and it was a very successful event. The participants presented papers on a wide range of topics, and they also engaged in many interesting discussions. The conference was a great opportunity for mathematicians to meet and talk to each other, and it was a very enjoyable experience for everyone who attended.
