

THE UNIVERSITY OF THE SOUTH PACIFIC SCHOOL OF DISTANCE EDUCATION DEPARTMENT OF EDUCATION TEACHER EDUCATION PROGRAM

TEACHER EDUCATION PROGRAM: This program is designed to provide students with the knowledge, skills, and attitudes necessary to become effective teachers. The program is structured to meet the needs of students who are working full-time or part-time, and who may have other commitments. The program is delivered through a combination of face-to-face and distance education methods.

The program is divided into two main components: the Bachelor of Education (BEd) and the Bachelor of Education (BEd) with a specialization in a specific area. The BEd program is a four-year program, while the BEd with a specialization is a five-year program. The program is designed to be flexible, allowing students to complete their studies in a shorter or longer period of time, depending on their individual circumstances.
