

THE UNIVERSITY OF THE SOUTH PACIFIC SCHOOL OF DISTANCE EDUCATION DEPARTMENT OF EDUCATION TEACHER EDUCATION PROGRAM

TEACHER EDUCATION PROGRAM: Aims and Objectives
The purpose of the Teacher Education Program is to provide a comprehensive and practical education for students who wish to become teachers. The program is designed to meet the needs of the Pacific region and to prepare students for the challenges of the 21st century. The program is based on the following aims and objectives:

The program aims to provide students with a strong foundation in the theory and practice of education. It also aims to develop students' professional skills and attitudes, and to prepare them for the demands of the teaching profession. The program is designed to be flexible and responsive to the needs of students, and to provide a high quality of education. The program is based on the following objectives:

- To provide students with a strong foundation in the theory and practice of education.
- To develop students' professional skills and attitudes, and to prepare them for the demands of the teaching profession.
- To provide a high quality of education that is flexible and responsive to the needs of students.

The program is designed to be flexible and responsive to the needs of students, and to provide a high quality of education. The program is based on the following objectives:
