

THE UNIVERSITY OF THE STATE OF NEW YORK OFFICE OF THE STATE COMPTROLLER STATEWIDE FINANCIAL REPORT FOR THE FISCAL YEAR ENDED 2019

STATEWIDE FINANCIAL REPORT: This report provides a comprehensive overview of the State's financial performance for the fiscal year ended 2019. It details the State's revenues, expenditures, and the resulting budget surplus. The report also includes information on the State's debt, assets, and liabilities. The data is presented in a clear and concise manner, making it easy to understand the State's financial position.

The report is organized into several sections, including: Executive Summary, Revenues, Expenditures, Budget Surplus, Debt, Assets, and Liabilities. Each section provides a detailed breakdown of the data, including a comparison to the previous fiscal year. The report also includes a section on the State's financial outlook for the future. This section discusses the State's plans for the next fiscal year and the long-term implications of the current financial policies.

The report is a valuable resource for the public, as it provides a clear and concise overview of the State's financial performance. It is also an important tool for policymakers, as it provides the data needed to make informed decisions about the State's budget and financial policies.

The report is available in both English and Spanish. It is also available in a user-friendly format, making it easy to navigate and search for specific information. The report is a testament to the State's commitment to transparency and accountability in its financial reporting.

The report is a key document for the State, as it provides a clear and concise overview of the State's financial performance. It is also an important tool for policymakers, as it provides the data needed to make informed decisions about the State's budget and financial policies.
