MEMORANDUM FOR: DEPUTY SECRETARY, BUREAU OF EDUCATION
SUBJECT: PROPOSAL FOR THE IMPLEMENTATION OF THE
NATIONAL CURRICULUM FRAMEWORK (NCF) IN THE
SCHOOL DIVISION OFFICES (SDOs).
This memorandum proposes the implementation of the
National Curriculum Framework (NCF) in the School
Division Offices (SDOs). The NCF is a set of
guidelines that will guide the development of the
curriculum for all levels of education in the
country. It is designed to ensure that all
students receive a quality education that is
relevant, meaningful, and challenging. The
implementation of the NCF will require the
development of appropriate learning materials,
the training of teachers, and the provision of
adequate resources. The proposed implementation
plan includes the following:

1. Development of Learning Materials: The
Bureau of Education will develop learning
materials for all levels of education, based
on the NCF. These materials will be made
available to all SDOs. 2. Teacher Training:
The Bureau of Education will provide training
for all teachers on the NCF. This training
will be conducted through a combination of
workshops, seminars, and on-site visits. 3.
Resource Provision: The Bureau of Education
will provide the necessary resources for the
implementation of the NCF, including textbooks,
learning materials, and other instructional
materials.

The implementation of the NCF will be a
gradual process, starting with the elementary
level in 2018, followed by the secondary
level in 2019, and the tertiary level in
2020. The Bureau of Education will monitor
the progress of the implementation and
provide technical assistance to the SDOs
as needed. It is requested that the
Deputy Secretary approve the proposed
implementation plan.
