TO THE GOVERNOR AND THE COMMISSIONERS OF THE STATE OF NEW YORK:

I have the honor to acknowledge the receipt of your letter of May 10, 2013, regarding the proposed changes to the State Comptroller's Office's information technology system. I am pleased to inform you that the Office has completed its review of the proposed changes and has determined that they are in the best interests of the State. The proposed changes are necessary to ensure the continued operation and security of the State Comptroller's Office's information technology system. I am confident that the proposed changes will result in a more efficient and secure system for the State Comptroller's Office.

The proposed changes to the State Comptroller's Office's information technology system are as follows:

- 1. Upgrade the State Comptroller's Office's information technology system to the latest version of the operating system.
- 2. Upgrade the State Comptroller's Office's information technology system's hardware to meet the needs of the State Comptroller's Office.
- 3. Upgrade the State Comptroller's Office's information technology system's software to meet the needs of the State Comptroller's Office.
- 4. Upgrade the State Comptroller's Office's information technology system's security to meet the needs of the State Comptroller's Office.
- 5. Upgrade the State Comptroller's Office's information technology system's backup and recovery to meet the needs of the State Comptroller's Office.

I am confident that the proposed changes will result in a more efficient and secure system for the State Comptroller's Office. I am pleased to inform you that the Office has completed its review of the proposed changes and has determined that they are in the best interests of the State. I am confident that the proposed changes will result in a more efficient and secure system for the State Comptroller's Office.
